

An All Volunteer Organization

The PNWC maintains an office and extensive library-archive at Portland's Union Station Annex. The PNWC owns a few pieces of vintage railroad rolling stock, including several passenger cars suitable for local rail service. Perhaps the best known of these is the SP&S Pullman Sleeper-Lounge, the *Mount Hood No. 600*. In addition, the PNWC owns and maintains two Budd-RDCs, a stainless steel passenger coach *Silver Meteor No. 6200* and the SP Daylight coach, the *Red River No. 6800*.

The PNWC endeavors to help participate, coordinate, and operate rail-based activities each year, sometimes with tickets on sale to the public. These activities are undertaken as a fund-raiser for the PNWC and other partner groups to maintain the rolling stock as well as the Chapter's library and archives. Volunteers are most welcome to participate!

As a partner organization of the *Oregon Rail Heritage Foundation*, (www.orhf.org) on occasion we have the opportunity to participate in short excursions, such as the annual Holiday Express, behind the City of Portland's *SP&S No. 700* or *SP Daylight No. 4449* steam engines.

The PNWC is a proud partner with the *Oregon Cultural Trust*; if you would like to explore the process of receiving an Oregon tax credit please check their website at www.culturaltrust.org.

All donations and membership inquiries are sincerely appreciated.
